

Action Plan for Design and Technology

Intention:	Implementation:	Who's Responsible?	Dates from and to:	Impact
<p><u>Cutting skills:</u> To develop the cutting skills of all children throughout the school- To progress the childrens' awareness, understanding and abilities about the purpose of cutting and the various methods that could be used. To enable the practical application to be used for everyday life skills as well as for non-essential 'hobby' type purposes. This intention will be an inclusive element in activities to be carried out across the three themes for the academic year of Water, All About Me and The World I live In.</p>	<p>To ensure that classes have access to required cutting tools that are appropriate to the task. To purchase relevant tools as necessary. To provide suggestions and activities to practice the skills. To provide support as required. To baseline selected children from each class (in agreement with Leads) to track throughout the year through discussions, observations, IEP/BSquared/Mapp to follow progression to implement further support if none.</p>	<p>FF</p>	<p>Sept 2022 to July 2023</p>	<p>Recorded through "I can..." statements, IEP, Mapp, BSquared.</p>
